**Notes:**

(1) Data pursuant to Annex III Decision 2011/753/EU based on Regulation (EC) No 2150/2002 or reporting system of the Member State, chose from drop-down-menu in cell G5:  
 REGL\_2150\_2002 = data based on Regulation (EC) No 2150/2002  
 RS\_MS = data based on Reporting system of the Member State

(2) This includes material recovery other than preparing for re-use, recycling and backfilling.

(3) This is the sum of the amounts reported under preparing for re-use, recycling, backfilling and other material recovery.

**Cell shading:**

White: Data provision is mandatory.
Light orange: footnotes (only to be filled-in when relevant)
Grey: The calculation of data is automatic and cannot be edited.
